

Stephanie Hoff
Communication Specialist
Otter Tail Power Company
Fergus Falls, Minn.

I'm fortunate to consider Martin an extension of our communication team. He's knowledgeable, creative, professional, and efficient. He takes great care with understanding the material he's working on and packages his stories with accuracy and appeal. He has an invaluable ability to build rapport with our customers during story interviews and I can't say enough about how much that's appreciated. I'm thankful to have a working relationship with such a talented resource.
