

# Ease the Squeeze

Mobile and Fixed-Site Imaging Solutions  
from DMS Health Technologies

## A Better Way to Stretch Your Imaging Dollar

Money's tight, capital budgets are stretched thin. We understand, and we have a seamless solution for squeezing a little more out of your operating budget.

DMS provides diagnostic imaging technologies across multiple modalities. We will staff and service your facility when and where you need us, all without a capital expenditure. We'll tailor our service to what will best suit you:

**Mobile** – *One day a week, two days a week, etc.—we'll bring the technology to your door on a flexible schedule that meets your needs.*

**Fixed-Site** – *Acquire any of our imaging technologies on a more permanent basis and we'll customize the installation for you.*

With it, you'll get the most technically astute and customer/patient friendly staff in the industry – 97 percent of our customers and 99 percent of their patients are satisfied with our service.

**Get the technology you need without squeezing your capital budget dry. Contact us today.**
