---

At First State Bank of North Dakota, we're small town and proud of it. Because to us and our customers, small town means anything but small time.

It's about being a stand-up neighbor, lending a hand through tough times, building together in good times, making things easier all the time. And it's how we've done business for more than a century.

First State Bank of North Dakota: Values-Based Banking

ANNC: Arthur, Buffalo, Casselton, LaMoure, Marion and Oakes. Member FDIC and proud supporter of our small towns.
