Honesty. Loyalty. Integrity.

At First State Bank of North Dakota, these values shape the way we work.

For a century, we've been helping grow farms and businesses, finance homes, save for education and retirement, and protecting it all. We look people in the eye when we shake hands, and keep the promises those handshakes represent.

First State Bank of North Dakota: Values-Based Banking.

ANNC: Arthur, Buffalo, Casselton, LaMoure, Marion and Oakes. Member FDIC and proud supporter of our small towns.
